

COSA'S PUBLIC FORUM ON CANCER

Sunday 13 November 2016
12:30pm to 4:30pm
Gold Coast Convention
& Exhibition Centre

BRINGING RESEARCH OUT OF THE LAB

This **FREE** information forum about cancer is an initiative of the Clinical Oncology Society of Australia (COSA) and is presented in partnership with the Australia & New Zealand Breast Cancer Trials Group, CanSpeak Queensland and Breast Cancer Network Australia.

Each year COSA hosts this special information forum for people who have been affected by cancer. It is held alongside its Annual Scientific Meeting for cancer health professionals.

With the theme of "Bringing research out of the lab" our expert guest speakers will present on topics ranging from clinical trials, patient decision aids, exercise and lymphoedema, managing the after effects of cancer, and new treatments for metastatic breast cancer (the full program is provided over the page).

How to register: This public forum is **FREE** to attend however you do need to register. You can do this by visiting www.cosa2016.org/cosa-public-forum-on-cancer/ and completing the online registration form, emailing JH@asnevents.net.au, or calling Jennah Henry on (03) 8692 2033.

Date: Sunday 13 November 2016

Time: 12:30pm to 4:30pm

Location: Gold Coast Convention & Exhibition Centre, 2684-2690 Gold Coast Hwy, Broadbeach 4218

GCCEC has parking available (at a cost) including spaces for the disabled.
